## **Verse 1**

There is a time for everything  
A time to laugh, a time to sing  
A time to weep, a time to mourn  
A time to die and to be born

## **Verse 2**

There is a reason for today  
A time to go, a time to stay  
A time for war, a time for peace  
A time to gather and release

## **Refrain**

The seasons come and go  
And how they turn, only He knows

## **Verse 3**

There's nothing new under the sun  
It's all been said, it's all been done  
Out of the dust we live and learn  
And then to dust we all return

## **Refrain**

The seasons come and go  
And how they turn, only He knows  
He knows

## **Bridge**

Everything beautiful He'll make  
Nothing to add, nothing to take  
And what He does, will always be  
He's set in us eternity

## **Verse 4**

There is a time for everything  
A time to laugh, a time to sing  
A time to weep, a time to mourn  
A time to die and to be born

## **Tag**

There is a time for everything  
There is a time for everything
