Verse 1

In the shadow of darkness
We will hold on to hope
Adonai, He is with us
And He won't let us go

Pre

His light is breaking through
Oh children, do not fear
Our God is radiant
Yeshua, He is here

Chorus

Arise let the earth rejoice
Together with one voice
Lift up your eyes and see
Our King who reigns forevermore
The Glory of the Lord
Has risen now we are free

Verse 2

In this light everlasting
Sun and moon fade away
Through the gates of salvation
We will enter with Praise

Pre

Hear this Oh Israel
The Lord our God is One
So we will bless His Name
Messiah, He has come

Chorus

Arise let the earth rejoice
Together with one voice
Lift up your eyes and see
Our King who reigns forevermore
The Glory of the Lord
Has risen now we are free

Bridge

Arise and shine, your light has come
