### **Verse 1**

Out of the dark, and into the waiting  
A bright burning star, and angels were singing  
Be not afraid for I bring you good news

### **Chorus**

Emmanuel, the heavens ring  
Emmanuel is Christ the King  
We have beheld the Father's love  
Emmanuel, Our God with us

### **Verse 1**

Let the whole earth be filled with his glory  
Our hope has come, Oh, this is our story  
Be not afraid for I bring you good news

### **Chorus**

Emmanuel, the heavens ring  
Emmanuel is Christ the King  
We have beheld the Father's love  
Emmanuel, Our God with us

### **Bridge**

Through the darkness, hear the angels  
Singing glory in the Highest  
Peace on earth, our God is with us  
All our praises unto Jesus

He is worthy, He is holy  
Heaven and the earth adore thee  
Our redeemer, our creator  
We will worship Christ the savior

Hallelujah, Hallelujah  
We will join the joyful chorus  
Hallelujah, Hallelujah  
God is with us, God is for us

**Chorus**

Emmanuel, the heavens ring  
Emmanuel is Christ the King  
We have beheld the Father's love  
Emmanuel, Our God with us

Emmanuel, Our God with us  
Emmanuel, Our God with us
