

The Righteous One

Verse 1:

One thing I desire
This one thing I seek
To dwell within your house
Beholding you alone
To wait upon you Lord
To sit here at your feet
To see your glory fall

Verse 2:

So hear me when I cry
Answer when I call
Speak and I will know
I am not alone
For you have been my help
You have been my hope
You will be my song

Chorus:

Behold, our God is here
He is the righteous one
He'll come to us
And defend all who draw near
He is the righteous one
The righteous one

Verse 3:

This one thing I know
Of this one thing I'm sure
I will surely see
The goodness of the Lord
And when my enemies
Surround me with their lies
Your truth will lift me up
Lift me up high, You lift me up on high

(Chorus)

Bridge:

Arise and lift up your eyes
For your light has come, your light has
come

Arise and lift up your eyes,
For your light has come, your light has
come

Chorus:

Behold, our God is here
He is the righteous one
The righteous one

Behold, our God is here
He is the righteous one
He'll come to us
And defend all who draw near
He is the righteous one
The righteous one

Bridge:

Arise and lift up your eyes
For your light has come, your light has
come
Let all arise and lift up your eyes
For your light has come, your light has
come

And we will arise and lift up our eyes
For His light has come, His light has
come
We will arise and lift up our eyes
For His light has come, His light has
come
